Laugharne Weekend Shuttle Buses

This year the Laugharne Weekend is teaming up with Laugharne's own taxi firm Monroe's to offer a range of travel options for everyone staying outside of Laugharne itself.

First off there will be cars available all day - starting at 2.30 pm on Friday, 12 noon on Saturday and Sunday and finishing at 1am – to take people to and from Laugharne, St Clears and Pendine. They will run every half hour from the Grist (outside the Fountain inn).

Pick up points in St Clears will be the Travelodge and the Coach and Horses surgery car park.

Pick up points in Pendine will be the bus stop by the Premier shop and chip shop.

Also, if you need picking up from St Clears or Pendine (or anywhere else nearby) then just call Monroe's, and they'll come and get you.

Fares will be a standard £15 to either Pendine or St Clear's (standard taxi rates to other places) and will be shared between however many people are in the car/minibus – so obviously the more of you there are the cheaper it is.
